

## Principal's Report – Friday 14th November

### Remembrance Day Service

This week our school community came together for our Remembrance Day Service, beautifully organised by Frank Huglin (Secretary of HADDAC) and coordinated by our very own Tyna Lee. It was wonderful to see representatives from the community laying wreaths, including Cr Myra Murrihy from Moyne Shire Council, and CWA representative and School Council member, Megan Rees.

Our students represented the school with great pride, speaking and presenting with maturity and respect. I would especially like to acknowledge our Primary School Captains and our current and future VCE VM students, who spoke so thoughtfully and eloquently. Their contributions truly captured the spirit of remembrance and reflection.

### Year 11 ODE Bike Ride

On Wednesday, I had the pleasure of dropping off our Year 11 students at the trailhead near Lake Bullen Merri as they set off on their Outdoor Education Bike Ride to Port Campbell. A huge thank you to Ms Cakebread and Mr Prentice for their excellent organisation and supervision, and to Mr Jarrad for ensuring everyone returned safely by bus. From all reports—and as you'll see in the photos—students and staff alike had a fantastic experience filled with teamwork, challenge, and adventure.

---

## Protective Intervention Training

On Thursday, all teaching and education support staff took part in Protective Intervention Training, delivered by Resolution Education. Thank you to Michelle and Marissa for leading this important and engaging session, helping our staff develop practical strategies and knowledge to respond effectively to challenging behaviours and support positive learning environments for all students.

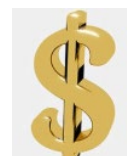

---

## Year 8 \$20 Boss Market Day

Next Tuesday, our enterprising Year 8 students, led by Ms Cakebread, will be running the annual \$20 Boss Market Day. Students have been working hard to develop creative business ideas and products.

A reminder to all students and staff to bring along some cash on the day — stalls will operate at lunchtime only, and no EFTPOS will be available.

A portion of profits will be donated to the Salvos Wishing Tree, supporting families in need this festive season. Please refer to the advertisements in the newsletter for details on what products will be available.

---

## Important Student Events in the Next Two Weeks

- Year 12 Graduation – Wednesday 19th November
- Year 3 & 4 Camp to Sovereign Hill, Ballarat – Wednesday 19th to Thursday 20th November
- Year 10 & 11 Exams – Wednesday 19th to Friday 21st November
- VCE Step-Up Week – Commencing Monday 24th November for all current Year 10 and 11 students

---

## Finally...

We're delighted to welcome Mr Ralph back this coming Monday following a period of leave. It's wonderful to have him return as we approach the final busy weeks of term.

I would like to extend a special thank you to Mrs Butters and Mrs Dart for their outstanding work over the past few weeks, and for stepping up to take on additional roles while continuing to manage their existing responsibilities. Your support, as always, is greatly appreciated.

Thank you to all staff, students, and families for your ongoing energy and support as we head toward the end of the school year.

**Have a wonderful weekend!**

**Mr Webster**

## In this edition of SchoolTV: New Social Media Regulations

From 10 December 2025, new laws will take effect in Australia to protect young people online by restricting access to social media for those under the age of 16. This important change reflects growing community concern about the impact of early social media use on children's mental health, wellbeing and development.

Research shows that social media can expose children to unrealistic comparisons, online pressure and harmful content long before they are emotionally ready to manage it. While regulation is a positive step forward, real safety begins at home. Families continue to play the most powerful role in helping children build confidence, resilience and awareness in the digital world.

These new regulations provide an opportunity to talk openly with your child about their online experiences and what these changes mean for them. It's also a chance to review family technology habits, reinforce healthy routines, and explore age-appropriate ways for young people to connect, learn and express themselves.

This Special Report explains what the new laws mean in practice and offers practical guidance to help families prepare for the upcoming changes.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

**If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.**

The eSafety Commission website has a **Social Media Age Restrictions Hub** which has a wealth of information to support young people, families and educators to assist everyone to adjust to and understand this new change.

We encourage you to check out these resources.

<https://www.esafety.gov.au/about-us/industry-regulation/social-media-age-restrictions-hub>

### It's not a ban, it's a delay to having accounts

Age-restricted platforms won't be allowed to let under-16s create or keep an account. That's because being logged into an account increases the likelihood that they'll be exposed to pressures and risks that can be hard to deal with. These come from social media platform design features that encourage them to spend more time on screens, while also serving up content that can harm their health and wellbeing.

## In this edition of SchoolTV: Embracing Change & New Beginnings

Change is a natural part of growing up. Whether it's the start of a new school year, moving between year levels, or stepping beyond the school gates for the final time, each transition brings a mix of emotions, presenting both opportunities and challenges. These shifts call on young people to adjust to new routines, navigate unfamiliar environments and develop emotional flexibility. While some may embrace these changes, others may find the disruption unsettling and struggle with the loss of predictability.

Research shows that periods of transition are often linked to heightened anxiety, reduced academic engagement and changes in peer relationships. For families, these periods can also bring added stress. Recognising the emotional and psychological impact of change helps us respond more effectively and supportively.

While change can feel daunting, it also offers valuable opportunities for young people to learn and grow. By normalising uncertainty and encouraging open conversations, we help young people face new beginnings with curiosity rather than fear. When children are surrounded by guidance, encouragement and consistent structure, they're far better equipped to manage life's transitions with confidence and resilience.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

**If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.**

We remember because of the people  
that died,  
We remember so we appreciate the  
people who fought for us,  
We remember but we will never forget  
those who sacrificed themselves.

**Lest We Forget**  
– Jaira Tango

We remember because people died for us,  
We remember so we don't forget that they  
died for our country,  
We remember but we don't want it to  
happen again.

## Year 7 Remembrance Day poems

On remembrance day we remember brave soldiers,

We honour their courage,

Their stories so true,

Thankyou brave heroes for all that you do.

Lest We Forget

We remember for the ones who died,

For the ones who lived and the ones who sacrificed,

We remember so the mind of the torn don't forget so we respect all who's dead.

We remember but we never shall forget.

Lest We Forget

- Shelby smaller

We remember because we should be respectful to those who fought in the war,

We remember so we don't make the same mistakes,

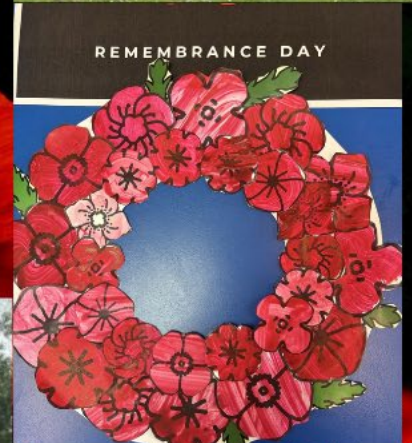

We remember but lots of people died during the war.

Lest We Forget

## ***Parents Victoria AGM / Vodcast*** ***with Dr Billy Garvey and John Hendry*** **"Beyond Academics: The Relationship Blueprint"**

Join us for a very thought-provoking discussion between two thought leaders in the areas of education and child development:

- **Dr Billy Garvey** – Developmental paediatrician, researcher and author, Billy is also the founder of the social enterprise Guiding Growing Minds and co-host of the "Pop Culture Parenting" podcast. He was named the 2025 Victorian Father of the Year.
- **John Hendry OAM** – With over 50 years in education, John is an education elder, school leader and consultant known for pioneering the "Relationship based Education" framework and the concept of a "Relationship Quotient"

John and Billy will discuss how quality relationships support children's mental health and school attendance, their wellbeing at school, and academic progress. They will also explain why parents and schools need to work together to give children the best possible educational experience.

Questions Billy and John will discuss include:

- What does a "safe relationship" at school look like for an anxious child?
- How can parents and teachers work together to build trust and resilience?
- How do positive relationships help children to learn and achieve?

The pre-recorded video discussion will be followed by a live Q&A session with John Hendry and Parents Victoria.

This event also includes the Parents Victoria Annual General Meeting. The AGM agenda and link to the Annual Report will be provided on registration.

## Some Venues Will Charge an Entry Fee.

Our VICSWIM host venues are *extremely* generous in permitting our program to take place in their centre.

Out of goodwill and support of the program, our host venues contribute significant amounts of in-kind support. Without this, our program could not be delivered across so many communities.

Some of our venues are in the position to waive pool entry fees, but some are not.

We have asked our host venues to notify us of the fees they intend to charge and have listed this on our website [here](#).

Please take a look and be aware if your intended venue is charging an entry fee for participants, or for spectators. This list is subject to change.

We also ask our VICSWIM families to treat the staff at our host venues with respect. We have been disheartened to hear of disrespectful behaviour directed at venue staff upon entry at some venues in previous seasons.

## Key details:

### Program Dates:

- **Week 1:** Monday 5th - Friday 9th January 2026
- **Week 2:** Monday 12th - Friday 16th January 2026
- **Week 3:** Monday 19th - Friday 23rd January 2026

### Cost:

\$43 per enrolment

**Please note:** Venues may charge an entry fee to the venue for participants and/or spectators. Venues who have informed us of [additional charges](#) are [listed on our website here](#).

VICSWIM Summer Kidz is available to children aged 4 - 12 years old. Minimum age at Beach and Inland Waterways programs is 5 years old.

**Book in for 2026 on Wednesday, 12 November  
2025 at 10:00 am**  
**VICSWIM Summer Kidz returns for 2026.**

We're so excited to open for bookings on Wednesday!

We're looking forward to another wonderful summer of safe and fun water safety education across Victoria, at an accessible and affordable price point of \$35 plus booking fee, per week!

## Our 2026 Venues List is now live!

We're excited to share with you our list of Venues for 2026.

As always, some more may be added so please keep an eye on our facebook and instagram accounts for updates.
