

## Principal Newsletter Report Friday 28<sup>TH</sup> November 2026

There have been some great camps and excursions happening for our students over the past fortnight. Our Year 3-4 students stayed at the Sovereign Hill Lodge last week and enjoyed taking part in gold panning and a mine tour during their two-day camp.

Our Year 5-6 students had a wonderful time on their three days at the Warra Gnan Coastal Camp in Warrnambool this week, and were able to take part in surfing lessons, kayaking and lots of beach activities along Lady Bay.

Our Year 1-2 students slept over at the school last night for the annual Sleepover Camp, and there have been some reports about the volume of student and staff snoring during the night; the F-2 students also enjoyed their pre-sleepover excursion to the Cobden Trains on Thursday, despite the rain.

The Year 8 \$20 Boss class travelled to Warrnambool Kmart this week, purchasing gifts for the annual Wishing Tree in Gateway Plaza using the proceeds of their recent entrepreneurial stalls - a most generous and timely use of these profits, providing support for children in need in our district. It has been a busy week and a bit - and a huge thanks to staff for their organisation of these events!

A reminder that our annual Awards Assembly will be happening on Monday 15<sup>TH</sup> December in the College Stadium, beginning at 2pm. Our assembly will be led by our School Captains and our staff Leadership team, and there will be a range of awards to present that will reflect achievement in displaying school values, academic excellence, citizenship and vocational effort. Parents and extended family are very welcome to attend this assembly in the Stadium, and to join staff and students for a whole-school sausage sizzle starting at 1pm near the Hands On Learning Shed. Please note that buses will leave the school at 3:30pm on this day.

Schools received the unfortunate news this week that the Belfast Aquatics pool is currently closed due to issues with mould removal, and that the upcoming Try-athlon event for participating Year 3-9 students has been cancelled - without the opportunity in this ever-shortening year to reschedule the event to a later date. So, school as usual for our Try-athlon students next Tuesday 2nd December.

Lunchtime on-road training using our set of school mountain bikes in preparation for the **upcoming Great Hawkesdale Bike Ride** continues, with students building their cycling stamina and knowledge of road rules. The GHBR this year will use the vehicle-free surface of the Port Fairy to Warrnambool Rail Trail, and as always there will be overnight camping and lots of fun for the riders involved. A rest day is available for students who take part in the ride on Friday, December 12, with classes still happening at school for all other students on this day.

I really enjoyed seeing the **Great Victorian Bike Ride** pass through our district earlier in the week, and Mr Jarrad has reminded me about the great value that our own local GHBR provides; for less than the cost of one day of the Great Victorian Bike Ride, students at Hawkesdale can involve themselves in four days of cycling adventure. What an opportunity!

**The 2026 CSEF application form is included in the newsletter for eligible families**, and it is important that this is completed and returned to school so that financial support for camps and excursions can once again be accessed next year. Please return these forms to Bronya at the Office this term once completed.

**Primary and secondary Picnic Day activities will be happening on Tuesday 16<sup>th</sup> December**, with primary students heading to Woodford for some outside play at Jubilee Park, and then to Warrnambool for a movie at the Capitol Cinema (Years F-5) and some ten-pin bowling (Year 6). Secondary students will take part in the annual hike along the beach from Killarney to Port Fairy for some beach cricket and supervised swimming between the flags at East Beach. Permissions and information about both days are on Compass, and it is great to see that many consents to attend have already been given; please provide permission to attend these days if you have not done so already.

**Several pupil-free days are occurring in the last week of this term. Students are not required at school on Wednesday 17<sup>th</sup> December and Thursday 18<sup>th</sup> December**; these days will be used as time in lieu catch-up days or staff planning days for 2026.

**And ... thinking ahead to the start of the 2026 school year, please note that all staff will return to school for a planning and preparation day on Tuesday January 27, and that all students will return to school on Wednesday 29<sup>th</sup> January.** Office staff will be available for **uniform sales at school on Friday 23<sup>rd</sup> January from 10am to 2pm**, more information about this uniform day will follow.

**Finally, a reminder again to families that from 1<sup>st</sup> January 2026 children and young people aged under 18 can travel free on all Victorian public transport services** - this includes trams, trains, buses and coach services across the state. A new tap-on/tap-off Youth MYKI card has been developed to allow for this free travel, and more information will be available as to how these cards can be accessed later in the term. Regional travellers will need to show their cards on services that do not feature MYKI readers. Reduced Vline ticketing costs have been a great saving for our metro-based camps and excursions, and this latest travel initiative from the Victorian government will continue to assist our families financially with statewide travel.

Have a great weekend, everyone.

## Camps, Sports and Excursions Fund eligibility

Below are the criteria used to determine a student's eligibility for the Camps, Sports and Excursions Fund (CSEF).

### Criterion 1 – General eligibility

The applicant must be one of the following:

- a parent or carer who is the beneficiary of a financially means-tested card.
- a student over 16 years who is considered a mature minor and holds a valid concession card (such as a Youth Allowance Health Care Card or Disability Support Pension Card). For guidance on assessing whether a student is a mature minor, refer to the department's policy on [Mature Minors and Decision Making](#).
- A parent or carer whose child is 16 or over and the beneficiary of a financially means tested card but are not considered a mature minor.

Applications must be submitted to the school by the end of Term 2.

Where the parent or carer is seeking eligibility based on an eligible financially means-tested card, eligibility will be determined when the relevant concession card successfully validates with Centrelink on either the first day of Term 1 or Term 2.

For students over 16 years of age and where the eligible card is in the name of the student, the fund is only granted to that student, not their siblings.

### Criterion 2 – Be of school age and attend a Victorian school

For the purposes of CSEF, students may be eligible for assistance if they attend a registered Victorian school.

CSEF is not payable to a student attending pre-school, kindergarten, TAFE or who are home schooled.

A special consideration eligibility category also exists and should be made through the application form. For more information, see: [Camps, Sports and Excursions Fund \(CSEF\): Eligibility | education.vic.gov.au](#)

### Eligible means tested cards

The full list of eligible concession and health care cards is available on the [Services Australia](#) website.

### Eligibility date

For concession card holders, CSEF eligibility will be subject to the parent/carer's concession card being successfully validated with Centrelink (see [Camps, Sports and Excursions Fund \(CSEF\): Policy | education.vic.gov.au](#)).

### Payment amounts

CSEF is an annual payment paid directly to the school and will be allocated by the school towards camps, sports and/or excursion costs for your child. Please refer to the policy for the current rates.

**For ungraded students**, the rate payable is determined by the student's date of birth. For more information, see: [Camps, Sports and Excursions Fund \(CSEF\): Payment amounts | education.vic.gov.au](#)

**Foundation and Year 7 government school students** who are CSEF recipients are also eligible for a uniform voucher. Schools are required to make applications on behalf of parents, so please register your interest at the school.

### How to complete the application form

**Note: all sections must be completed by parent/carer**

1. Complete the PARENT/CARER DETAILS section.

Make sure that the Surname, First Name, and Customer Reference Number (CRN) details match those on your concession card. You will also need to provide your concession card to the school.

If you are claiming as a Foster Parent a letter of support from the institution facilitating the arrangement (for example Mackillop Family Services) or the Department of Families, Fairness and Housing (DFFH) is required as evidence. If you are claiming a Veteran Affairs Pensioner, you will need to provide a copy your Veterans Affairs Pensioner Gold card.

2. Complete the STUDENT/S DETAILS section for students at this school.

3. Sign and date the form and return it to the school office as soon as possible.

CSEF payments cannot be claimed retrospectively for prior years.

**Queries relating to CSEF eligibility and payments should be directed to the school.**

## UNIFORM 2026

School uniform is an important symbol of pride and belonging and is one of many measures that effectively connect students to their school and community. Student safety is vitally important, and with this in mind, students are required to wear school uniform so that they can be easily identified as members of our school while at school and taking part in off-site activities. Students are required to comply with OH&S expectations while at school, and thus it is mandatory that all students wear polishable leather lace-up shoes for the protection of their feet. Our school has a specified uniform policy that has been ratified by school council. All students are expected to be in full uniform, and to keep their uniform neat and tidy while at school. Please mark all clothing with names so that lost items can be returned.

**Hats:** Our school Sun Smart policy requires all students and staff to wear a hat at all times when outdoors during the summer months, i.e. terms 1 and 4. All F-12 students must wear the designated school hat design, which each new student is provided with when they start at our school. Additional hats can be purchased from the office if they become misplaced. If students are without a hat, they will be required to spend their recess and lunchtime under shelter, and if their class is outside for an activity and they are without a hat they will not be able to participate in that activity.

**Sportswear:** Students are expected to wear appropriate swimwear when involved in swimming activities, and to wear the designated school sports uniform when taking part in Physical Education and Sport sessions. Our school has a range of Hawkesdale team sports tops for interschool sporting events, and these will be provided for students to use at these competitions.

School uniform items are often under review and thus may change slightly from the garments noted above. The School Council Uniform subcommittee works with students and families to put in place uniform items that are practical, comfortable, affordable and durable.
